

Michigan Industrial and Technology Education Society

Programs of Outstanding Quality Awards

The purpose of these awards is to recognize students, teachers, administrators, and schools that provide exemplary programs in industrial technology, technology education, and career / technical education. Individual awards may be made at the elementary, middle school, high school, and career / technical levels.

Criteria for receiving an award will be determined by submitting the best and most complete supportive information. Nominations may be submitted by teachers, administrators, or other interested educators.

Program award decisions will be made by the MITES – Abrams Foundation Committee and approved by the executive board prior to the MITES Convention. Recipients of awards will attend and be recognized at the annual MITES Banquet.

This year, with support from the Abrams Foundation, the recipient school(s) will receive a monetary award of up to \$1000 to be used for classroom supplies or equipment for the winning program.
